What we bring:

- 3 clip-on mics for trumpet-section, of which 1 is wireless
- 3 clip-on mics for saxophone-section
- 3 clip-on mics for trombone-section
- Wireless clip-on for sousafoon

- In-ears for our drummer

Wat we need:

- one vocal mic for talking/entertaining (wireless)
- full amplification for the percussion, which consists of:
 - 2 conga's & 2 bongo's
 - 2 overhead mics voor cymbals, beating, shakers, woodblock, etc.

- full amplification for the drumkit, which consists of:
 - 1 snaredrum
 - 2 toms
 - Bassdrum
 - 2-3 cymbals
 - Hi-hat

- a DI for SPD/drumpad (important!)
- 1x in-ears monitorsystem (we have the ears, just need the system)
- 5 monitorspeakers: 1x for trumpets, 1x for saxes, 1x for trombones, 1x for sousaphone, 1x for percussion and, when its impossible for the drummer to use his in-ears, he needs 1x monitor as well.
- 3 x Risers: 1x riser for drums, 1x percussion, 1x for sousaphone
